PREPARATION FOR THE FUTURE

It would seem to be of value now, having reached the threshold of one of life's important portals, that we examine the possibility of relationship between our high school preparation and our admittedly fugitive vision of what lies ahead.

With few exceptions, we cannot, in a vocational sense, be considered as having acquired for ourselves much more than a chance to continue toward stages of more preparation. Perhaps only in the advanced Accounting and Distributive Education and Secretarial Studies classes have we learned specific skills permitting immediate vocational application. Those of us who have had the good sense to take advantage of the excellent instruction in these areas are sincerely grateful for the high quality of curriculum and staff our school affords.

For those of us who are going to college, specifics are perhaps not so important as the development of good habits of scholarship and a broad general background allowing some freedom of choice and those inevitable modifications of plans which experience will suggest. One of our experienced administrators has pointed out that, in our rapidly changing world, some of the specifics we may learn in high school may no longer be applicable by the time we have finished our academic careers. We are, in a large measure, rather well prepared if we have been stimulated to think and have learned to organize these thoughts with clarity for the purposes of oral and written expression.

The effects of modern technology in our lives have demonstrated clearly to our generation the necessity for more years of preparation with the probability of an increase not only in terms of duration, but also of intensity. Automation, as one of the facts of modern life, has increased the "room at the top" while drastically reducing the need for the technically unskilled. While our reward for years of diligent struggle will be this more assured place, the necessity for continued preparation in order to advance, or even to stay where we are, will not be eliminated. On the other hand, we can look forward to decreasing working hours and earlier retirement, with the consequent increase of leisure.

One of the world's saddest sights is that of some young people who, at their leisure, are destructively spending and depleting themselves and the world's material and human resources. Perhaps the only sadder situation is that of some of the older generation who are suddenly lost when they no longer need to set the alarm clock in order to punch the time clock.

Many of our peers in this graduating class have been fortunate, either through natural aptitude or conscientious application, to have excelled in the disciplines of mathematics and science. Indeed we can all be proud that our school, in its relatively few years of existence, has established a tradition of excellence in these areas. We are grateful, however, that areas of study which include the humanities have not, as a consequence, been placed in a position of lesser importance.

We needn't enumerate specifically the many and varied experiences, curricular and extracurricular, which have been provided by our dedicated teachers; we have had the opportunity to learn that the world is full of such a wonderful number of things that the days of our lives will never be long enough for our creative enjoyment of them.

The class of 1966 proudly dedicates our yearbook to the General Organization of Martin Van Buren High School. Through its guidance and leadership we, as Seniors, have passed through the arch of adolescence and are now prepared to enter the world of the future.

Our G.O. has been a source of brightness during our years in high school. It can take satisfaction in a job well done. In its vitality, warmth and youthfulness of spirit we saw a better measure of ourselves.

A good part of this warmth and vitality is derived from its well-liked adviser, Mr. Georgan. He has been ably assisted by Mr. Swanson, who, working diligently behind the scenes, is, never the less, fully appreciated by those who have had the privilege of working with him. Similarly, many of our classmates are rather unaware of the dedicated work of Mr. Weissenberg in the Boro-Wide G.O. Student Council or of his unstinting service for two years at the Annex as G.O. Adviser.

The 1965-66 G.O. season was characterized by the establishment of several new traditions. In the hope of making individual votes more significant in G.O. elections, a new elections procedure was put into effect by the G.O. Senate. Van Buren's Tenth Anniversary this year was the occasion of week-long celebration and the sale of more birthday carnations than ever before.

Van Buren's first annual Horror Film Festival was presented in December. Specially made chocolate bars were sold in February, the profits from which went to the fund for the support of Suh Boon Sun, our adopted Korean child.

For the first time in Van Buren's history, a school Sing Night was presented under the auspices of the G.O.

Under the advisorship of Mr. Georgan (better known as, "Great Guy Georgan") the Van Buren G.O. has made significent progress in making the G.O. a truly student-run organization. Mr. Georgan has, in turn, been lavish in his praise of our elected officials who, he says, have been unusual in their dedication and hard work in support of the organization.

MAURICE BLEIFELD, Principal

June, 1966

Dear Graduate,

As you leave Martin Van Buren High School, you take with you a wealth of knowledge, experience, skills and attitudes, all of which have accumulated during your high school career.

In addition, you carry a storehouse of life-long memories, based on the thousand and one incidents that were part of your life in school -- in the classrooms, the assemblies, the clubs, the athletic contests, the cafeteria, and the other ingredients of our educational climate. You have made friendships, mingled with many students, and have been guided by your teachers.

During all this, you have been undergoing a metamorphosis, very much like that of the butterfly that emerges from the caterpillar. You are now more mature, more knowing, and more able. In fact, you have been shaping your future in terms of your past experience, a thought well expressed in the immortal lines of the poet, Wordsworth,

"The child is the father of the man."

We are confident that your days at Van Buren have helped you prepare for the future -- the promising world of the Great Society, in which all men, hopefully, will truly achieve the eternal goals of personal dignity, opportunity, and fellowship. Yours is the exciting challenge to help make it so.

Best wishes for success and happiness.

Sincerely,

Maurice Bleifeld

ADMINISTRATIVE

MISS MARTHA GLENZ

One way of evaluating our theme, our preparation as it relates to our future achievement, might be that of looking at someone who can already be considered as having achieved success. Our three top administrators certainly could be in that category. Investigation brings to light the interesting fact that all three attended, as we have, an academic high school in New York City. Mr. Bliefeld graduated from Boys' High School. Pictured with him in that year's senior annual were two other bright young men: Arthur Radwin and Morton Roman. Miss Glenz attended Flushing High, and Mr. Kaye was boy leader of Arista at Erasmus. We think it may be of value, empathetically speaking, to be carried back in time to that moment when they were where we are now. For those of us who know them now as able administrators and warm human beings, their lives speak more forcefully than any message about, or even by, them could. We believe it does no harm to see Mr. Bleifeld pictured on a previous page playing tennis and the tuba. Knowing that Miss Glenz is a good bowler diminishes not at all our respect for her. Miss Glenz took a well-earned sabbatical rest this spring from her heavy duties as supervising administrator of every conceivable thing having to do with student activities.

We didn't realize how much personal contact with students means to those who administer our educational needs. We noticed, however, the innovation this year of Mr. Bleifeld's "Meet Your Principal" sessions and

ASSISTANTS

MR. MARTIN B. KAYE

we felt good about this. Miss Glenz, who formerly was a foreign languages teacher, expresses great pleasure in the fact that her present administrative position permits the continuation of close contact with students. Mr. Kaye reveals that the one regretable feature of his present administrative position is the greatly diminished chance it affords for personal contact with the students. This makes some of us, especially those of us who got to know him so well at the Annex, rather sad. We are also mindful of the fact that as we graduate we leave behind no students with our warm memories of his administration of the Annex. We researched some interesting insights into his academic background. He was sports editor of his high school newspaper. (How we could have used his talents on this yearbook staff!) He continued to write sports for his college newspaper at the University of North Carolina while becoming president of Phi Beta Kappa with all that implies. He helped to form the first Dixie Conference for intercollegiate handball and lacrosse, and while still an undergraduate he became an official referee of the latter sport. After teaching in colleges in Maryland and North Carolina he served as military officer in the capacity of meteorologist. After the war he taught at Erasmus and Fort Hamilton High Schools. He has been with Martin Van Buren High School since its beginning. Steps toward his present position have included: acting chairman of the Math department, dean of boys, administrator of the P.M. session, administrator-in-charge at the Annex and coach of a handball team which in 1957 won the Queens championship.

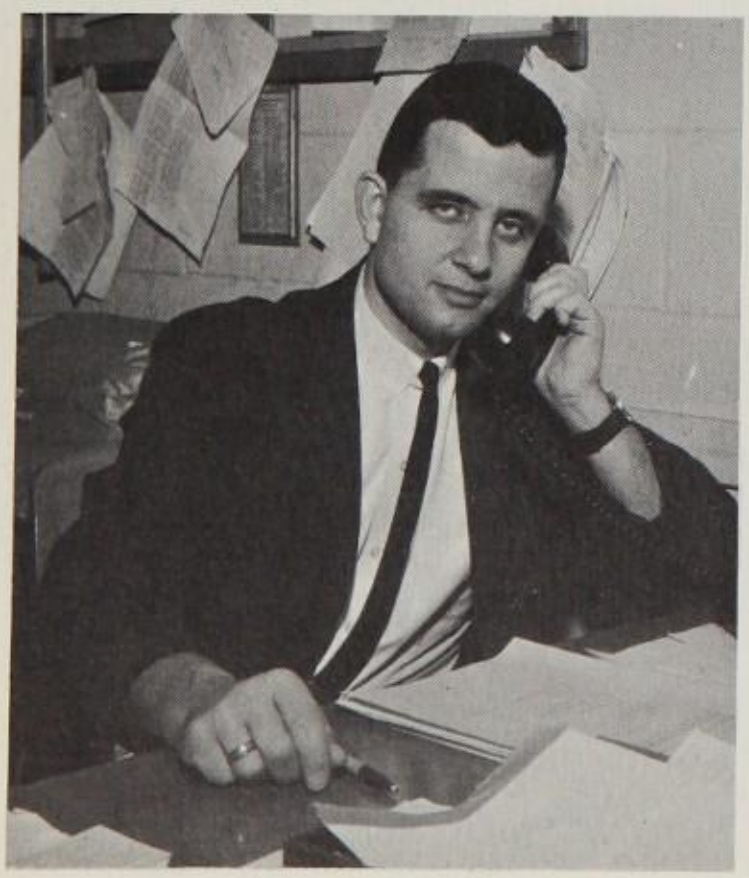
SENIOR OFFICE

Among their many duties this year, the four senior officers were in charge of running the senior home room representative meetings, arranging for senior hats, buttons and Senior Day, and for conducting the January graduation. The group also took charge of sales and publicity for the Senior Show and Prom and drew up an Alumni Constitution, and were hosts for the memorable Alumni Day on December 23rd. Collection of Senior Dues was just another of their duties. The senior class is indebted to the fine work of these four capable officers.

L. to R.: David Metch, President; Ilene Graff, Vice President, Barbara Tuerack, Secretary; and Glenn Amster, Treasurer.



Mr. Marvin Miller is loved by all seniors with the possible exception of the few recalcitrant individuals who weren't eager to pay their share of the senior dues. We should all be very grateful for the unselfish amounts of time, effort and affection lavished on our class by our capable adviser.

IN MEMORIUM

WE REMEMBER WITH AFFECTION
MRS. ROSE GOODMAN AND
MRS. EUGENIA PELKUS.

The rainbow comes and goes,
And lovely is the rose;
The moon doth with delight
Look round her when the heavens are bare;
Waters on a starry night
Are beautiful and fair;
The sunshine is a glorious birth;
But yet I know, where're I go,
That there hath passed away a glory
from the earth.

Jane Wynn as the princess

ONCE UPON A MATTRESS

A touch of medieval life came to Van Buren in the form of *Once Upon a Mattress,* the Broadway-style musical story of the princess and the pea. The gay musical comedy was produced under the direction of Mr. Stephen Posner and Mr. Harvey Lacher, with advisory assistance from Mr. Steven Silverman. The scenery was designed and constructed through the cooperation of Mrs. Margolies, Mr. Langley, and Mr. Chabon. The costumes were designed and executed by Mrs. Fowler and her students.

Prince Dauntless (Ted Fondulas), Mother-dominated by Queen Agrevaine (Jacqueline Sigmund), was disappointed when every princess tested to marry him was found, by his mother's standards, to be unsatisfactory. The whole court was unhappy because no one could marry before Dauntless. The ones most affected by each princess' failure were Lady Larken (Ilene Graff) and Sir Harry (David Arcella) who were already secretly and unlawfully wed. Determined to find a genuine princess to suit both himself and the Queen, dauntless Harry set out on his mission. His search led to Princess Winnifred (Jane Wynn), from the swamps. "Fred" immediately caught the hearts of Dauntless and his father King Sextamus (Robert Braitman) when she fell into the moat and swam to the castle. The Queen, however, was characteristically opposed and decided, with the advise of the wizard (Michael Wolf), to test her for "sensitivity" by placing a pea under twenty mattresses. In the finale Winnifred managed to stay awake and the formerly mute King switched roles with the voluble queen. Other principle characters were the minstrel (Steven Laskoe) and the jester (Matthew Smith).

PROM

We had eagerly looked forward to the annual senior bash held this year on Saturday evening at the Malibu Beach Club, Lido Beach, Long Island. Sy Laskin and orchestra provided music and London Lee, the well-known teenage comedian was something else! A memorable time was had by all, beginning at 8:00 P.M. and lasting into the early hours of the morning. We had not been disappointed!

SOCCER

Although compiling a 3-7 record this season, Coach Diller insists "The record does not tell the true story." All games during the fall soccer season were fought closely and could have been won by either team. Coach Diller expressed his opinion of the loss to the City Champs (Newtown 2-1) as being the best effort of the year. Captains Mark Finkelstein and Steve Sobel lead the team, along with Mike Slomowitz and Jan Bailey who won all-city honors. Coach Diller expressed hope in next season, as many juniors will return to help the team.

HANDBALL

Supervised by Mr. Pugliese, the Cross Country Team meets three or four times a week for practice. Its members run a two and a half mile race at Van Cortlandt Park where, almost every week, the team competes with other schools. At times there can be as many as 300 boys at the starting line of the race. Any boy who is interested in this activity is allowed to join, with no athletic superiority required.

CROSS COUNTRY

L. to R.: David Kossel, Henry Peyser, Hugh Cotty, Charles Phillips, Ron Schroeter, and Mr. Domenick Pugliese (coach). NOT PICTURED: Bruce Stahl (captain).

RIFLERY

FRONT ROW, L. TO R.: Philip Goldman, Peter Gracci, Pat Quick, Paul Wasserman. SECOND ROW: Michael Brown, Harvey Brian-Co-Capt., Bob Husson-Capt., Bob Carbonari.

Led by coach Mr. Raymond Langley, team co-captains Harvey Bryan and Bob Husson and high scorer Robert Carbonari, Van Buren's Rifle Team recently completed its most successful season. On the way to an unprecedented Queens championship, the Nimrods broke almost every V.B. riflery record. Among them was the best season record ever, thirteen victories with only one defeat. This year's highlights included a solid victory over Aviation High School, last year's champions, which enabled the Nimrods to take over the League leadership.

FENCING

For the first time in the history of the team, V.B.'s fencing squad has attained city-wide recognition. Coached by Mr. Blond, the V.B. foilers compiled a spectacular 5-1 league record and gained entrance to the City Championships. After defeating Seward and Stuyvesant, Van Buren lost a hard-fought battle to Jamaica for first place honors. The season was highlighted by captain Steve Laskoe's being named to the City All-Star Team. Other seniors on the team were Captain Ken Sassen, Mark Rosenblatt, Bruce Lieb, Ronald Finger, and Marc Lory.

BOYS' TENNIS

FRONT ROW, L. TO R.: Howard Greenberg, Howard Amols, Joe DiMauro. SECOND ROW: Mr. Wallach (Coach), Glenn Amster, Mark Eisenberg, Paul Goldsmith, Wayne Heller (co-capt.), Benson Platt (capt.).

TRACK

KNEELING, L. TO R.: Steve Nugent, Larry Koller, Dave Pearl, Charles Giannakos, Bruce Stahl. STANDING: Mr. Rolf Herwerth, Ron Schroeder, Charles Phillips, Jeff Radden, Hugh Cotty, Henry Peyser, David Kosel, Ronald Rorie, Mr. Don Faber.

The track team of 1966 is composed of outstanding runners and young hopefuls. Captains of the team, Bruce Stahl and Jeff Radden, provided the leadership needed, while giving exceptional performances in the half-mile and the two hundred twenty yard dash. Marc Treihaft and Larry Koller, both seniors, provide extreme strength in short distances. Bob Landman and Leo Toliver make up a well-rounded senior team.

The main success of the team is in the one mile run, where Charles Phillips has already run a 4½ minute mile. Along with other juniors and sophmores, Phillips will lead the team to further success in later years.

FRONT ROW, L. TO R.: Leslie Hallen, Susan Hoffman, Bonnie Solarchik, Elizabeth Forgione, Susan Hayes, Andrea Grodenchik, Janice Stern, Maura Higgins, Regina Smith, Madeline Letwack, SECOND ROW: Aleta Hambsch, Jerilyn Goldman, Barbara Lustbader, Pamela Friedman, Christine Dixon, Margaret Anderson, Barbara Gleischmann, Lindsay Wang, Doris Sajecki, Luana Diemer. THIRD ROW: Andrea Schwartz, Nancy Shapiro, Abbie Rothstein, Alice Galaid, Elaine Cioffi, Allison Hale, Carol Goldstein, Mary Weis, Janet Kolb, Diana Hambsch. FOURTH ROW: Geraldine Virgilio, Barbara Peterson, Carol Flamman, Judy Meyers, Fran Janowckyz, Janis Gregg, Karen Mistretta, Karen Der Kazarian, Laura Marshal. FIFTH ROW: Marion Brisk, Margie Peterfreund, Nancy Sherman, Jessica Millman, Robin Stern, Linda Strobl.

LEADERS

Under the direction of Miss Theresa Rizzitiello, Girls' Leaders celebrated its tenth anniversary this year.

Prospective Leaders begin training either in the second or fourth term by joining the Pre L.I.T. Club, which meets once a week. Carefully screened girls then become Leaders-in Training, attending the regular daily Leaders' Gym Class. From this group are chosen the Leaders. Leaders is a competitive class which aspires to instill those qualities of initiative and leadership in their girls. The standards are high and a good deal of effort is required to meet them. The girls accepted into the class serve until their graduation and are entitled to the ultimate achievement in girls' physical education—a red suit.

Some of the yearly activities of the Leaders Organization are the Installation Tea, the Father-Daughter Bowling Party, and the Field Trip to James Baird State Park. In addition, at the beginning of the year, four chosen Leaders attend the City-Wide Leaders Weekend, a gathering of representatives of the Leaders groups of all the city schools. The culmination activity of the year, and one of the most memorable, is the Mother-Daughter Dinner.

FRONT ROW, L. TO R.: Susan Hayes, Janice Stern, Andrea Grodenchik. SECOND ROW: Jessica Millman, Margie Peterfreund, Nancy Sherman. THIRD ROW: Jerilyn Goldman, Judy Meyers.

CHEERLEADERS

Once again, as in past years, M.V.B.'s cheerleaders have proven to be as much a part of the game as the team itself. Urging the players on to victory with loud voices and unsuppressible spirit, this year's squad was more inspirational than ever. The Cheerleaders, led by Captains Barbara and Judy Bigus and under the expert guidance of Mrs. Raynor, practiced as early as 7:00 in the morning and have, an academic standard to maintain as well as one of performance. The academic requirements are an academic average of 75% and no failures in any subject at any time. Their character ratings must be excellent with no Dean's Records.

L. to R.: Judy Abcug, Sherry Spritzer, Jackie Becker, Gail Alpern, Nancy Shapiro, Barbara Bigus (Captain), Judy Bigus (Co-Captain), Elizabeth Forgione.

FRONT ROW, L. TO R.: Naomi Cooperman, Sherry Spritzer, Judy Abcug, Jackie Becker, Barbara Obadiah, Susan Anderson, Emily Eisen, Carol Nackeman, Ossie Bosch. SECOND ROW: Judy Kahn, Ellen Korn, Nancy Shapiro, Barbara Bigus-Capt., Judy Bigus-Co-Capt., Gail Alpern, Harriet Gottlieb, Irene Boes, Elizabeth Forgione, Mrs. Kate Raynor-Adviser.

GIRLS' TENNIS

BOTTOM ROW, L. TO R.: Judy Meyers, Margie Peterfreund, Mary Weis, Aleta Hambsch, Geri Virgilio, Karen Mistretta, Leslie Hallen, Janice Stern. STANDING: Allison Hale, Abbie Rothstein, Nancy Sherman, Linda Strobl, Pat Fahey, Laurie Rogen, Jessica Millman, Miss T. Rizzitiello, Rhonda Turner, Dorothy Moses, Doris Sajecki, Pam Watters, Barbara Lustbader, Diana Hambsch. Not Pictured: Barbara Peterson, Janet Suckfull.

Tennis for girls at Van Buren is a long-established tradition. This year's Tennis Club, under the direction of Miss Rizzitiello, was one of great promise. Many of the girls showed great aptitude for tennis and each member of the club managed to improve her game.

FIELD HOCKEY

BOTTOM ROW, L. TO R.: Allison Hale, Jessica Millman, Linda Strobl, Abbie Rothstein, Barbara Lustbader, Nancy Sherman, Margie Peterfreund, Judy Meyers. STANDING: Pam Watters, Laurie Rogen, Mary Weis, Pat Fahey, Karen Mistretta, Rhonda Turner, Geri Virgilio, Miss T. Rizzitiello, Doris Sajecki, Dorothy Moses, Diana Hambsch, Aleta Hambsch, Janice Stern, Leslie Hallen. Not Pictured: Barbara Peterson, Janet Suckfull.

One of the most exciting and active sports of the Fall Term is Field Hockey. This year the Field Hockey Club, under the tutelage of Miss Rizzitiello, gained skills and enjoyment by learning the game. An intra-club tournament was held and the winning team received P.S.A.L. awards.

GIRLS' BOWLING

FRONT ROW, L. TO R.: Arlene Toback, Donna Campanile, Bernice Siegal, Susan Hoffman, Lois Poole, Rose Martini, Coralie Rabinowitz. SECOND ROW: Elsa Garn, Laura Lederman, Aleta Hambsch, Miss Alice Harvey-Adviser, Carole Roberts, Grace Maya. THIRD ROW: Gail Greene, Gina Kohl, Joyce Simmons, Janis Martinez, Karen Wolff, Elaine Lander.

Under the guidance of Mrs. Raynor during the Fall Term and Mrs. Fernandez in the Spring, the Gymnastics Club met once a week from three-thirty to five-thirty. This was to offer extra, individual instruction to those taking an interest in the regular apparatus program taught in the gym classes. The club's members, both juniors and seniors, sought to improve their skill on such pieces of apparatus as the uneven parallels, the parallel bars, and the balance beam.

PRINCIPAL'S STUDENT CABINET

Since the start of the Fall term, the Principal's Cabinet has met the third Thursday of each month. Behind the doors of the Conference Room, much of the policy that has been, or will be, set forth by the school is discussed. Although all meetings remain confidential, their effect is often felt immediately by the students, as evidenced by the School Sing Night.

For the majority of students the Cabinet is a representative body expressing varying points of view to the faculty. With Mr. Bleifeld chairing each session, and with the aid of Miss Glenz and Mr. Georgan, many school problems are resolved to the satisfaction of those involved.

The school population is represented by the President of the General Organization. Senior interests are voiced through the Senior Class President. Other groups present are Arista, Bee Line, Leaders, the Human Relations Club, Service League, and the Athletic Clubs.

HISTORY HONOR SOCIETY

This society is formed by students concerned with history—past, present, and future. Admissions depends upon marks, teacher recommendations, and an essay. Arista and the History Honor Society heard speakers from the War Resisters' League, the West German Consulate, the Arab Information Service and also saw a German propaganda film entitled "Triumph of the Will." Surely these students suspect that "One who is ignorant of the mistakes of the past is condemned to commit these same mistakes in the future."

SERVICE LEAGUE

Service League is an organization dedicated to the ideals of school and community service. Service League officers and members have worked hard to make its first year a successful one and to win recognition and respect for this new league. Service League members usher at assemblies, graduation and the senior show; help teachers during open school week, work as service aides and sponsor a clothing drive for the "Save the Children Federation." Service League hopes for many more successful years of giving service, and that members will continue to derive satisfaction from their efforts. Mrs. Lillian Weidenbaum and Miss Joan Foley, served as faculty advisers for the fall and spring terms respectively, providing ideas and encouragement to this growing organization.

CURRENTS

L. to R.: Pamela Penty, Peter Smedresman, Nancy Sherman, Jerrold Leichtling, Mrs. Santor (Adviser), Amity Kaye, Manuel Llorca, Peter D'Andrilli, Robert Manuck.

Currents is the prize-winning Literary-Arts magazine of Martin Van Buren High School. Published annually in May, Currents presents the contributions of student writers in harmony with the works of student artists and photographers. Under Mrs. Pat Santor, faculty adviser, Currents sponsors short story, vignette, essay, and poetry contests reflecting the creative talents of Van Buren Students.

FOLK SINGING CLUB

Martin Van Buren's Folk Singing Club originated two years ago in the Annex with Mr. Kolodney as its leader. It provides for its members to learn folk songs and perform them for the school and community. According to Mr. Kolodney, the club has become a "Closely knit group of friends with strong committments to the club's goals." These goals include "the transmission of the joy and brotherhood of song."

The club has given many performances, among them at the Queens Village Arts Council, Kaufman Auditorium in New York City, Cafe Espresso, World's Fair, St. Albans Naval Hospital, and various schools, as well as at our own school's Hootenanny. The songs sung by the talented club include, blues, blue-grass, ballads, and folk rock.

ARISTA LEADERS:
L. to R.: Judy Meyers (Treasurer), Linda Siskind (Recording Secretary), Carol-Ann Finkelstein (Corresponding Secretary), M. Vinegrad (Faculty Adviser), Steven Kussin (Boy Leader), Francine Fine (Girl Leader).

ARISTA

"Arista enriches the out-of-class experiences of our members," says Mr. Eugene Vinegrad, Arista's Faculty Adviser, about Van Buren's venerable honor organization. However, Arista, as may be seen by its many services, enriches the lives of a multitude of individuals on both a local and international basis.

Through the organization's tutorial program, it's members, who are selected on the basis of scholarship, character, and service, have tutored over one hundred students this year. The students are tutored in every subject on an individual or group basis. Arista members annually sell UNICEF cards to parents, pupils and teachers. This year, the organization has set an all time record with the sale of $637 worth of cards.

Arista has invited many forceful and dynamic speakers to its meetings in order to educate and enlighten its members. Recent guests have included the Vice Counselor of Germany, a member of the War Resisters' League,. and a propagandist from the Arab League.

STANDING: Linda Vilchitski, Geraldine Evarts, Joan Williams, Susan Lackey, Camille Scotty, Beverly Spertell, Linda Koestner, Nancy Durante and Pat Main.

SECRETARIAL HONOR SOCIETY

The Secretarial Honor Society is a club for a select group of girls in the Secretarial Studies course. The aims of this club are to enlighten the students of Secretarial Studies with regard to the opportunities available to them through development of secretarial skills in pursuing a secretarial career. It also gives a member an opportunity to serve in school offices as a secretary would.

The qualifications required are 90% or over in two terms of Stenography, 80% average in all other major subjects, no dean's record and each member must be a G.O. member.

MATH TEAM

Potential mathematicians are invited to exercise their numerical skill by joining Van Buren's Math Team. The forty-member team meets every day during the 7th period to tackle challenging problems supplied by the faculty adviser, Mr. Edward Bishop.

Top scorers Bruce Soloway (Captain), Jerry Kleinstein (Co-Captain), Steven Zucker, Alan Goldstein, and Richard Palchik, have helped the Senior team to emerge number one in Queens this year. The Junior math team defeated all contenders to place first in the city.

The Van Buren Math Team is affiliated with the Interscholastic Mathematics League, the Junior Math League, and the Mathematics Association of America.

INTERREL

Interrel, the first and only comparative religions club in the city's school system, again maintained its popularity among Van Buren students, becoming the largest club in the school.

The club devotes itself to bringing about greater understanding of the three major Western religions.

This year the club was addressed by speakers from Jehovahs Witnesses, a recent arrival from South Africa and Mr. G. Duffy, who spoke on the work of the Ecumenical Council.

Supervised by Mr. A. Brown, the club has viewed the film, *Let My People Go*, and visited a Catholic Service.

Bee Line Editors receiving the third place award from the High School Journalism Forum are, L. TO R.: Steven Steinberg, Myra Handelman, Andrew Green, Mr. Lockwood (Editor of the Long Island Press), and Carol-Ann Finkelstein.

THE BEE LINE

Throughout the years, the Bee Line, our school's newspaper, has kept the student body well informed as to the highlights of life in Van Buren. This year's new expanded edition has made possible the coverage of additional school activities and had included many special features.

Under the excellent supervision of faculty adviser, Mr. Raymond Marcus, an informative and enjoyable publication has continued to emerge from within the depths of CB 54.

The N.B.C. television program, "It's Academic," matches teams of three students from each of three different Metropolitan area High Schools in a contest of quick recall of specific facts in the fields of academic study and general knowledge. Meeting weekly, the team, under faculty adviser, Mr. Eugene Vinegrad and student coach, Kathy Beck, consists of Wendy Miller, Captain Jerrold Leichtling, and Bruce Soloway, with Alan Goldstein and Steve Zucker as alternates.

HUMAN RELATIONS CLUB

The Human Relations Club was founded to foster better understanding of the problems of the community and to try to do something about these problems. Under the direction of Mr. Morton Glassel, the club this year presented the Human Relation Award to Mr. Hyman Bookbinder for his work as assistant director of the Office of Economic Opportunity. The group was kept busy sponsoring community activities including the South Jamaica Extended Tutorial Program. The Student Exchange invited students from other parts of the city to visit homes of Van Burenites and to take part in planned activities of the school during the weekend. These activities included a socio-drama, panel discussions, and a hootenanny. Participants were in agreement that the best part of the experience was the personal contact and relationship that grew from the exchange.

The Martin Van Buren Bridge Team is in it's second year, and has yet to lose a match. Among its victims have been Jamaica (two times), and Francis Lewis.

Mr. Plevin, faculty advisor, wishes to start an inter-scholastic bridge league, with Martin Van Buren, Lewis, Jamaica, Flushing, Forest Hills, and Bayside. He feels that this is the only way to stimulate interest in Bridge in the high schools.

Van Burens' top pair this year was Martin Hirschman, a talented junior, and Captain David Pollack. Other outstanding members are Michael Berkley, Harvey Schwartz, Jerrold Kleinstein, Victor Lewkow, and Francine Price.

Van Buren's annual Science and Mathematics magazine, was published again this spring by the department of Physical Science, Biological Science, and Mathematics.

Under the direction of Mr. Charles Wilson and Mr. Eugene Vinegrad, the editorial board reviewed scores of articles submitted by the students during the past year. Those chosen for publication covered many phases of science, and mathematics and included several prize-winning individual projects.

Horizons, the journal of one of the finest high school science departments in the nation, has in past years won many awards in its own right as a science magazine. This year will be no exception.

RED CROSS YOUTH

During the fall term this dedicated organization decorated Queens General Hospital for the holidays, collected money from each homeroom to buy gifts for the children's ward of Creedmore and brought decorations made in the art appreciation classes to decorate the hospital.

They organized neighborhood service groups for teenagers and summer work in day camps, hospitals, and blood banks.

Membership in this organization is open to all students who wish to serve their community.

The High School Council for the U.N. is the foremost organization of its kind in the country. Composed of students from all over the city of New York, H.S.C.U.N. provides a forum for an interchange of ideas on the function and purposes of the United Nations, and the role of youth in the world. The organization meets monthly during the school year at the High School of Art and Design in Manhattan. H.S.C.U.N. sponsors Press Conferences, interviews, student workshops, debates and a yearly All-City Conference. Although not entirely a Van Buren undertaking, the H.S.C.U.N. is run under the auspices of Mr. Alfred Wheeler, of Martin Van Buren. In addition to sending a spirited, well-informed delegation to each meeting, three Van Buren students served as officers for year 1965-1966: Peter Henderson, Secretary General, Wendy Miller, Rec. Sec. and Ezra Simon, Press Secretary.

Providing an opportunity for students to express their views current and past affairs, Retrospect, Van Buren's history magazine, published its third annual issue this spring.

"Emphasis is on unusual but timely commentary," stated adviser, Mr. Tony Georgan, and as a result issues contain everything from reports on life in West Germany to the current Vietnam crisis. The staff and contributors, under the editorial leadership of Barry Margolin, Wendy Miller, and Nancy Sherman, compiled the most pertinent and thought provoking copy for publication.

The aim of Retrospect is to present current affairs not as dry facts but in the light of individual opinion.

BORO DISCUSSION

FRONT ROW, L. TO R.: Roy Daiell, Howard Miller, Stuart Siegel, Larry Waxenberg. STANDING: Mr. Wheeler (Faculty Adviser), Bob Lang, Jerrold Leichtling, Victor Lewkow, Peter Henderson, Ezra Simon.

Convening four times yearly, the Queens Boro Discussion group gives interested students from the borough of Queens a chance to voice opinions on stimulating controversial topics. Under Mr. Alfred Wheeler, Queens faculty adviser, Van Buren sends an informed vociferous group of participants to each conference. Past discussion topics included the New York Municipal elections of 1965, the role of the United Nations, and the Great Society. Boro Discussions is a truly creative, functioning student democracy, incorporating rules of order and decorum in arriving at a final consensus.

SCIENCE HONOR SOCIETY

The Science Honor Society seeks to further the interest of its members in the various fields of science and mathematics. This year, under the dual leadership of co-presidents, Paul Fenster and Paula Rosenthal, this aim was accomplished though a variety of programs. At Society meetings, a series of guest speakers discussed their current research work. Speakers included the head of the Technical Information Division of Brookhaven National Laboratories, the Chairman of the Physics Department of Adelphi College, and others discussing subjects ranging from microscopy to the space program. Trips to such centers of current scientific interest as the I.B.M. Building were included in the year's acticities.

During this time, participants have panel discussions and informal parties and listen to guest speakers. This year Van Buren students may visit the homes of students in other parts of the city.

In the short question and answer period following his discussion, Mr. Puleston replied to a query about the publicized nuclear plant supposed to be constructed in Long Island City. According to Mr. Puleston, public opposition killed that project, which he termed unfortunate, as such a plant would be safe and would not pollute the air as do conventional plants. However, Mr. Puleston optimistically stated that the public is becoming better informed about the safety of such plants. "The time is coming," he said, "when reactors will be built near large communities."

A MESSAGE FROM YOUR "PROM" PHOTOGRAPHER . . .

We are sure you realize the "Candid" Photo you had taken at your prom was truly a nice memory photo to have; however, a *Fine Studio Portrait* or a Complete Candid Wedding should not be judged by this one exposure taken at your prom, regardless how flattering it may be of you.

When you desire a really fine portrait or need a good candid wedding photographer—choose a reliable studio which is a member of the Long Island Professional Photographers Association and conducts its business under a strict code of ethics.

This is our 10th year as Martin Van Buren's Prom Photographer, surely we are qualified as being most reliable.
